

PLEASANT MANOR RETIREMENT VILLAGE

Preacher's Ponderings

Romans 12:12 "Base your happiness on your hope in Christ. When trials come endure them patiently, steadfastly maintain the habit of prayer." "Seid fröhlich in Hoffnung, geduldig in Trübsal, haltet an am Gebet." What a wonderful verse to guide how we face each day –

confident in our hope in Christ's salvation and strength, patient in the midst of daily challenges and always steadfast in continuing to talk with our heavenly Father in prayer. May this be your and my desire, and experience, each day of this new month!

Maintenance Muse

I hope you are all having a great summer. The weather has certainly been hot and dry this year. I'd like to thank all of you for your patience with the gardening and lawn care this summer, it has certainly been a challenge to try and keep things green this year. Get out and enjoy the cooler summer evenings. As August comes around it won't be long before it's too cool to enjoy the outdoors.

Debi's Desk – Supportive Housing

There was a good attendance of both tenants and staff for the In-service on Diabetes presented by the Niagara-on-the-Lake Family Health Team. Look for more informative sessions to come in the future.

Our PSWs in the Supportive Housing Program are currently registering with the new Ontario PSW Registry. Thanks to the co-ordination with Shoppers Home Health our tenants have had their wheelchairs and walkers cleaned.

Dietary's Dish

I hope everyone is enjoying the summer!!

The kitchen is truly enjoying hearing the compliments on the meals that people are enjoying. If there is anything people would like to see on the menu, please don't hesitate to let us know.

Pleasant Manor Post

August 2012

From the Director's Desk

I'm sure many of you have noticed the new chairs and couches in the Arborview Lounge area. This purchase was a much-needed upgrade, and we are very pleased with the result. A very special Thank You goes to our enthusiastic and tireless Auxiliary, whose fundraising

efforts made the purchase of this new furniture possible. We are so grateful for their work!

As we are able, and have resources, we will do our best to maintain a clean and attractive environment throughout Pleasant Manor.

DOC's Dialogue

The dog days of summer are here! These are the hottest and most sultry days of summer and we have experienced several weeks of this already. Thank you for keeping windows closed so that the air conditioning in the halls can keep our home comfortable. Continue to enjoy sitting in our outdoor areas as the next newsletter will bring us into the fall already. There are a couple of new faces to welcome – Stevie Christopher R.P.N. and Michelle Carpenter PSW – Welcome to the team!
