

PLEASANT MANOR RETIREMENT VILLAGE

Preacher's Ponderings

This month marks the last month of my ministry at Pleasant Manor. Words cannot express my thanks for the lessons learned and the friendships gained over the past thirteen years. Margaret and I are very thankful for the privilege of having served among you. Continue strong in your faith because "He who promised is faithful" (Heb. 10:23)! May God's richest blessings be upon each of you!

Maintenance Muse

Here we are and it's summer again. A lot has been going on in the past few months. The gardens are starting to look great, the front canopy is looking good and complete, and the paving of the parking lot is also beginning. We thank all of you for your patience. Have a wonderful summer.

PLEASANT MANOR

serving seniors with excellence, love and dignity

Debi's Dish

We noticed that many tenants thoroughly enjoyed the Strawberry Social hosted by the town on June 17th, thanks to the TR staff for facilitating this trip. With the warm weather arriving, the Pleasant Manor Supportive Housing Staff are encouraging tenants to stay cool by drinking more fluids, turning their A/C units on, or using their fans. Don't forget to wear your hats and sunscreen while enjoying the outdoors. If you need a place to cool off don't forget that the Chapel, Creekview Link and AV Dining room are always air conditioned.

Dietary's Dish

We are finishing up the first run of the new Spring Summer menus cycle. Please be patient with us as we work through it, there may still be some changes that happen. If there are any comments or concerns please do not hesitate to contact the kitchen and let us know or leave a comment in the comment boxes. I hope everyone is enjoying the summer now that it has finally arrived.

DOC's Dialogue

Milestones in life, both positive and negative, cause us to grow and transition into the person we were created to be. Different stages of life bring with them different events for each of us to experience. Some of us have experienced events outside of the usual progression of transitions through the stages of life. What we achieve in life is based on our mindset and how we embrace the specific milestone. From hitting rock bottom and being determined to rise above to the magical feeling of falling in love, to realizing your passion in life and living out the dream, to getting married and becoming a parent, perhaps, and on to attaining a career goal. Our individual journeys on our pathways of life tell a specific story of who we are. What legacy will you leave behind?

Pleasant Manor Post

July 2015

From the Director's Desk

Summer has arrived – the days are long and bright, and the warm temperatures we longed for all winter are finally here. At Pleasant Manor, we are fortunate to have plenty of lawns and gardens to enjoy. And recent improvements to the garden beds, newly paved parking lots, a new, attractive canopy in front of Heritage Place/Brookview completed – all make our outdoor areas even more appealing. I invite you to make use of our grounds in these short summer months. They are yours to enjoy!
