

PLEASANT MANOR RETIREMENT VILLAGE

Preacher's Ponderings

This summer will be a chance to breathe deep the warmer air and soak in as much of the sunlight as we can. In doing so we can relax and enjoy the beauty of creation. The chaplain program

will endeavor to do the same – having a more relaxed approach to our services and Bible studies; taking a rest from some of the heavier lifting we've been doing and enjoying God and each other.

Debi's Dish

We noticed that many tenants thoroughly enjoyed the Farm Day festivities with your families, we are glad that we could provide such a multi-generational event for you to enjoy together.

With the warm weather arriving, the Pleasant Manor Supportive Housing Staff are encouraging tenants to stay cool by drinking more fluids, turning their A/C units on, or using their fans. Don't forget to wear your hats and sunscreen while enjoying the outdoors. If you need a place to cool off don't forget that the Chapel, Creekview Link and AV Dining room are always air conditioned.

Maintenance Muse

June is almost over and here comes July. There is always lots to do at this time of the year, the gardens are looking good but there is much more to be done. We thank all the garden volunteers that have done so much work. Have a great summer. An encouraging word from Proverbs 21:21. Whoever pursues righteousness and love finds life, prosperity and honor.

Dietary's Dish

Hello residents, staff and others here at Pleasant Manor. By now you have probably seen me in the home. My name is Christiane McPhail and most people call me Chris. I am the Nutritional Manager here until Christina returns in February. My background is German and some of you have already discovered I love to practise my German here in the home. If you have any concerns, comments or just want to say hello please feel free to talk to me regarding dietary, laundry & housekeeping. So far you have made me feel very welcome here and I hope to keep things running smoothly for you while I am here.

PLEASANT MANOR

serving seniors with excellence, love and dignity

- July 25th** – Gateway Ministry & Games

Pleasant Manor Post

July 2016

From the Director's Desk

As much as we love the arrival of summer, extreme heat and sun exposure can have its negative side as well. Here at Pleasant Manor, we are blessed to have most areas equipped with air conditioning or fans. And our outdoor areas include plenty of

shaded spaces to enjoy the warmth of the season. Staying hydrated, wearing appropriate hats, etc., and taking advantage of all the cool and shaded areas of Pleasant Manor, we can all enjoy this beautiful time of year.

Farm Day Fun!

You are invited...
Please join us Monday, July 11th at 7:00pm on the lawn behind Oakview (by the shuffleboard court) for a musical presentation by the Niagara Falls Concert Band

Bring your lawn chair and your friends!

DOC's Dialogue

My name is Dulcie Lindo, I am the Director of Care and the Convalescent Care Coordinator temporarily. As I navigate through the different halls and buildings and do some wayfinding I am very pleased to be a part of this big place. In my two weeks here so far, I have met many residents and tenants and have even learned some names and familiar hang out spots already. Thank you for accepting me into your homes and your lives
