

PLEASANT MANOR RETIREMENT VILLAGE

Preacher's Ponderings

Moving into the summer months is such a highlight for me. It is a time to for my family and I to hang out with each other camping or fishing or hiking. Just being outside and being together. There is such a value in being in community with people (family members or otherwise). It is a gift of grace from God. God creation is meant to be

experienced with others. They help you to see all the things you may have missed with your own two eyes. So, the next time you go out for a walk, consider walking with a friend. And just to be silly, play a game of eye spy with my little eye. Take note of all the things you would have missed had they not been with you.

Maintenance Muse

Here we are and it's summer again. A lot has been going on in the past few months. The gardens are starting to look great. I am happy to announce we have new maintenance staff. Please take a moment to welcome Diego, John and summer student Jacob as you see them around Pleasant Manor. The time has come to say goodbye and wish Walter well as he marks the end of his working career and begins his new journey in his life. We thank him for his years of dedication and service.

Megan's Muttering

We noticed that many tenants thoroughly enjoyed the Strawberry Social hosted by the town on June 17th, thanks to the TR staff for facilitating this trip. With the warm weather arriving, the Pleasant Manor Supportive Housing Staff are encouraging tenants to stay cool by drinking more fluids, turning their A/C units on, or using their fans. Don't forget to wear your hats and sunscreen while enjoying the outdoors. If you need a place to cool off don't forget that the Chapel, Creekview Link and AV Dining room are always air conditioned.

Our hopes are high. Our faith in the people is great. Our courage is strong. And our dreams for this beautiful country will never die.
- Pierre Trudeau

Pleasant Manor Post

July 2017

From the Director's Desk

I think we can all agree that summer has arrived. The warmth and the sunshine beckon us outdoors and we are grateful that Pleasant Manor has a number of garden and lawn areas for everyone to enjoy!! We encourage you to take advantage of the lovely weather. June was a busy month for the Recreation

Department. We hope everyone had an enjoyable time at Farm Day and at the NOTL Strawberry Social. Both events were well attended.

Canada's 150th birthday kicks off on Saturday, giving our community ample time to visit with family and friends on the long weekend. Safe travels, and may your time together bring you happiness and delight.

Farm Day Fun!
