

PLEASANT MANOR RETIREMENT VILLAGE

Preacher's Ponderings

Summer is a time to enjoy the warmth and the sunshine and the beauty of nature. It's a time to reflect on our Creator's goodness to us – not just in the warmth of sunshine but in the warmth of the relationship we can daily enjoy with Him! Let's choose to be joyful in Christ – for our salvation, for God's daily strength, for our future in heaven. Let's abide in that relationship with Christ – through Scripture, prayer, obedience.

Let's choose to love God and others fully. Don't just talk about loving – get out and do it! Be strong in your faith! Be assured of eternal life! Trust the promises God has given! "Let the message about Christ, in all its richness, fill your lives. Teach and counsel each other with all the wisdom He gives....and whatever you do or say, do it as a representative of the Lord Jesus, giving thanks through Him to God the Father." (Col.3:14-17)

Recreation's Rant

We would like to welcome Kyla, our Recreation Student to our Team for the summer – we are pleased to have you working with us! FARM DAY! –June 23 – we would love to have you join us for this fun filled day! Lots of exciting things happening this year, including a jump and bounce for the kids – Invite your whole family – there's something for everyone! Also **volunteers are needed** for the day – please let me know if you are interested in helping in any way.

Dietary's Dish

We expect to start the new spring menu in the first couple of weeks in June. We hope you enjoy it! In May we said goodbye to two of our long time staff; Cathy Stefanovici and Olga Hoffman have both retired. We are sad to see them go but wish them all the best in the future. I would like to thank all the staff in the dietary department for pulling together and providing such great service to our tenants and residents through this time of change.

Maintenance Muse

The Maintenance department has been very busy lately. The heat is here and the air conditioners are already hard at work, the grass and gardens are also growing vigorously. We have hired Kurt Tiessen for the summer and I hope you will all welcome him as you see him working in the gardens. It is always a pleasure serving you, and I hope you will continue to have a wonderful spring and summer season.

Pleasant Manor Post

June 2012

From the Director's Desk

Throughout Pleasant Manor, we continue to be vigilant about safety for all of us who live and work here. Lately, we have fixed potholes in the driveway, to make a smoother surface for driving and walking. As we enter the summer months, and so many of us are out enjoying the weather, please be mindful of your surroundings as you walk, and avoid high traffic areas. If you are driving, thank you for keeping your speeds to a minimum. I want to remind you as well that the driveway as it goes behind Arborview is one way traffic only. Safety extends to our indoor environment as well. I encourage everyone to keep walkers and wheelchairs inside your apartments rather than left in hallways, which can be a barrier to others.

Celebrating Mother's Day

DOC's Dialogue

Summer is upon us and has been here for some time. The halls in Heritage Place are air conditioned but the residents' rooms are not. Please keep the windows closed in their rooms and there will be some cooling effect from the hallways. Also if a resident likes to spend time outside, remember to use a hat and apply sunscreen. You could purchase your own sunscreen for your family member or ask a therapeutic staff or nursing staff as there is some on hand. We welcome 2 new PSW staff Jenna France and Nichol Phillip to add to our on-call pool. Bonita Riehl, our Director of Care is off for an indefinite period of time on a leave of absence. We wish her the best and hope for a quick return. Gaye Nauta will be temporary Director of Care in the interim. The Staff very much enjoyed Nurses' & Staff Appreciation week and loved the "Pat on the Back" given to each of them.
