# Pleasant Manor Post

June 2016

## Preacher's Ponderings

Psalm 96 begins, "Sing a new song to the LORD! Let the whole earth sing to the LORD! Sing to the LORD; praise his name. Each day proclaim the good news that he saves." We find these words often in our worship songs and hymns which is good. But we sometimes miss the point that the psalmist is calling us to sing each day. Every day we have opportunity to sing new songs to God and to tell the world how awesome he is. Let's endeavor to fulfill that call each day of this month and see where and how God is at work.

## Reminder to Families of Long Term Care Residents:

When bringing in clothing for your loved ones please remember to drop it off at the nurses' station to have it labeled before putting it on the resident or in the closet. This will help us with ensuring the right people have the right clothes. Thanks for your assistance with this.

Also - Please feel free to take your loved ones in the courtyard – there is sunscreen and sun hats available.

## Recreation's Rant

**FARM DAY!** –June 18 – we would love to have you and your family join us for this fun filled day! Lots of exciting things happening this year, including a jump and bounce for the kids – Invite your whole family – there's something for everyone! Also **volunteers are needed** for the day – please let me know if you are interested in helping in any way.

## Debi's Desk – Supportive Housing

The Supportive Housing team welcomes Bethany High, Rebecca Gardner, Danielle Bradley and Yenis Funes-Lara. When you see them in the halls, help us give them a very warm Pleasant Manor welcome.

## Maintenance Muse

Here we are at the beginning of June, how time flies. We are happy to have Walter back from a medical leave which brings our maintenance team back to full staff. Tim Ball is hard at work in the gardens and they are beginning to look good. There is lots of work out there and we will do our best to get to all of it. A big thank you to all the volunteers from maintenance, especially those that have helped with the gardening and yard work. Have a great summer.
