

PLEASANT MANOR RETIREMENT VILLAGE

Preacher's Ponderings

I am thankful my office is near a busy intersection of hallways. I strive hard to maintain an open-door policy. I am blessed by those who take advantage of that openness and enter my office for conversation and prayer. What a privilege that God assures us of an "open-door" policy! The writer of Hebrews invites us to

"come boldly to the throne of our gracious God. There we will receive his mercy, and we will find grace to help us when we need it most." (Heb. 4:16) We have direct access into the presence of our heavenly Father! Have you entered God's presence today? His door is open, waiting for you to spend time with Him!

Recreation's Rant

Happy spring! We hope you've been enjoying the activities and events that we've been planning for you! We're looking forward to a spring/summer filled with more favourite events! This month we will welcome a new student to our department – Andrea Wurster will join us for the summer. We look forward to all that she will bring to our department. Please welcome her when you see her in the hallways.

Dietary's Dish

Hello everyone! Another month has gone by already and spring has finally started to show itself. We are working hard at creating a new Spring/Summer menu. We hope to present it to the Resident's council the next few weeks. We hope to be rolling it out by the beginning of June. If there are any questions or concerns please feel free to contact us.

Maintenance Muse

All is well in the Maintenance Department. We are very busy this time of the year, with the warmer weather upon us, the outdoor work is beginning and we are already getting backed up. We wish you all a good spring and hope you enjoy this time of the year.

Pleasant Manor Post

May 2014

From the Director's Desk

A highlight this month is Mother's Day. Some of you are mothers, grandmothers, great grandmothers. Have a wonderful Mother's Day! Others of you have mothers in your lives and in your family. Let's take the time to appreciate these women for their love and their place in our lives!

Fun and Fellowship at the Spring Bazaar!

Bonita's Bit

Spring has sprung, we hope! It has been a season we have been longing for for weeks now. I am thankful for each and every day, a new opportunity, a gift in the season of life. In the nursing department we are continuing to expand our knowledge in the field. I encourage the staff to enroll in opportunities that seek to advance their skills. I am pleased with the team work and the way in which the staff support each other and work together in providing the best care they are capable of to the residents of Heritage Place. Happy Spring to all!
