

**PLEASANT MANOR** RETIREMENT VILLAGE

### Preacher's Ponderings

Through the month of May we continue to celebrate Eastertide, the resurrection of Jesus Christ, and the eventual celebration of Pentecost (June 4). We celebrate that the power of God that was at work in raising Jesus Christ from the dead is the same power that is working in us, transforming us his body.

Imagine that! All those who are believers in Christ are one with you in Christ. How might that change the way we see each other, talk with each other, care for each other? (John 13:35; 1 Corinthians 12:12-26.)

### Recreation's Rant

We hope you've been enjoying the activities and events that we've been planning for you! We're looking forward to a spring/summer filled with more favourite events! This month we are planning a trip to Betty's Restaurant for tenants & residents. Please let us know if you are interested. Last month residents & tenants were invited to NOTL Community Centre to enjoy a performance by Crescent Heights High School Band from Medicine Hat, Alberta. We had a grand time!

### Dietary's Dish

What a beautiful time of year! Just as yeast blooms with a little warm water, so too shall the grass get greener!! The Spring/Summer menu has been approved by Resident's council, and we have recently started implementing the new menu. Over the next few weeks there may be some changes to the current menu as we trial some of the new foods. If there are any questions, concerns or ideas please feel free to contact any of us in the kitchen.

### Megan's Muttering

Updated Supportive Housing brochures are available that help to explain the Supportive Housing Program and services that are provided. As always, if you have any questions about how the program works, whether you are already on service or not, please do not hesitate to contact me. My door is always open to visitors!

# Pleasant Manor Post

From the Director's Desk

May 2017

As I walk around the property I see all the signs of spring, blossoms, daffodils, tulips, and activity starting in the gardening plots. Spring is such an exciting time of year with all its new beginnings. What a beautiful property!

The Spring Tea & Bake Sale was a huge success. The baked goods were purchased quite quickly and I was fortunate enough to be able to purchase some delicious meat buns and Easter bread. Thank you again to the auxiliary volunteers for all you do. Our residents and tenants benefit from all your hard work.

I would also like to wish all the mothers and grandmothers a wonderful Mother's Day on May 14<sup>th</sup>.

Fun and Fellowship at the Spring Bazaar!

### Karen's Korner

As we move into May, I notice the fresh blossoms and blooms that are popping up and bringing colour and brightness to the day. Likewise this is observed in the smiling faces of Pleasant Manor residents. Working together with all departments using Montessori philosophies we see breakthroughs as residents smile, accomplish something new or feel comfort. Thank you to all the residents and families for Blessing us by trusting in the nursing department staff as they live out our Mission of Love.
