

PLEASANT MANOR RETIREMENT VILLAGE

Preacher's Ponderings

Psalm 89:11,13 "The heavens are Yours, the earth also is Yours....You have a mighty arm; strong is Your hand."
 As we anticipate spring, it is good to be reminded that in back of these seasonal changes is a God who never changes! Every morning we enjoy the rising of the sun and every evening we can be assured the sun will always set. The stars will appear and the moon will rotate through its monthly phases – all signs that God is in control. May we be encouraged by the knowledge that God is in control – not only of our universe but of our individual lives! His strong and mighty arm is there to guide us day to day!

Dietary's Dish

March is one of my favourite months. It is a reminder that spring is right around the corner. Over the next few months I will be working on putting together a spring/summer 4 week rotational menu that will probably start in May. Suggestions are always welcome!

And also a reminder that we have Resident's choice meals once a month! Is there something that we can make for you?

Pleasant Manor Post

March 2012

From the Director's Desk

March is an exciting month - it holds the promise of spring. And even though our winter has been unusually mild this year, I still look forward to the longer days, the warmer sun, the sound of birds as they begin to share their music with us.

We also look forward to our spring bake sale, organized by our wonderful auxiliary and taking place at the end of the month. The auxiliary works tirelessly to support Pleasant Manor, and we thank them - their efforts are appreciated!

Thank you for your continued vigilance in driving slowly on our property, and for obeying the signs, particularly around the Garden Court garages. We want to do everything we can to keep Pleasant Manor safe for all.

Bonita's Bit

The nursing department is bustling with activity that revolves around our main reason for being employed here and that is for patient centered care. All of our efforts, whether hands-on care or documentation of care rendered is provided with the best interest of the resident in mind. We are employed in their home and seek to provide an enjoyable experience, each day, through the nursing care given. I feel blessed to have a great team of staff to work alongside. I hope the residents feel just as blessed knowing they are in good hands. It is an honour for me to be part of a big family, each of the residents contributing to my heartfelt feelings. Our attitudes affect each person we have contact with. I encourage you to live each day with the thought of making someone else's day better just by being you, the person you were created to be!
