### Preacher's Ponderings

*"Surely your goodness and unfailing love will pursue me all the days of my life, and I will live in the house of the LORD forever." (Ps.23:6)*  
 God promises us His goodness and love "all the days of my life". As God's children, sheep of the Good Shepherd, we

can face each new day with confidence in God's goodness and unfailing love. Not only can we face each new day walking in His presence, but we can also face the future assured of His promise of eternity with Him!

### Maintenance Muse

Summer is almost over and we've made it through the worst of the heat and are looking forward to some comfortable temperatures as we head into the autumn. Kurt, our summer student has finished and is heading back to school this fall. He has worked hard in the gardens this summer and they look good for it. We are hoping that he will be able to return next summer! We were happy to be able to install new patio door in Arborview this last month, they look and work great!

Wishing all of you a good end of summer!

# Pleasant Manor Post

September 2012

## From the Director's Desk

I'd like to invite each of our tenants to come to the Tenant Annual General Meeting that is to be held on Wednesday, September 26<sup>th</sup> at 3:00pm in the Creekview meeting room. You will hear reports from the various department supervisors as well as a report from your Tenant's council. We will also go over the

results from the tenant survey that many of you filled out a short while ago. Thank you for your feedback – the information we received from that has been very valuable to us to make Pleasant Manor an even greater community to live in. Refreshments will be served as well, so please join us.

Residents and Tenants enjoying the Ride Back in Time Program – Thank you NPT!

### DOC's Dialogue

The hot summer of 2012 is almost over with the return of cooler, crisper nights and fresher days where we are again hearing the crunch of fallen leaves as we are walking outside. Due to several Registered staff off on leave for medical issues and an RPN leaving, we have found it necessary to hire staff from an outside agency as we are actively recruiting new staff. Please be patient with these new staff as it will take some time to familiarize themselves with the home's residents and routines.

We are currently preparing for fall in-servicing and planning activities for Health and Safety month in October. Enjoy what remains of summer!
