### Preacher's Ponderings

I Peter 4: 10-11 states: "God has given each of you a gift from his great variety of spiritual gifts. Use them well to serve one another. ...use your gift with all the strength and energy that God supplies. Then everything you do will bring glory to God through Jesus Christ. All glory and power to him forever and ever! Amen."

We just celebrated our Volunteer Tea. What an amazing group of faithful volunteers serve us! I am very thankful for the faithful ministry of singers, pianist and speakers over the years I have served at Pleasant Manor. May God bless each one as they serve Him faithfully!

### Debi's Desk – Supportive Housing

We wish Justine Pernal well as she begins her maternity leave, blessings to her and the baby. The supportive housing staff will be participating in some in-services this month on Compression stockings and CPR & First Aid. PSW Students from various schools will continue doing their community placements during the next month with us here at Pleasant Manor.

### Dietary's Dish

### Fun and Fellowship at the Spring Tea and Bake Sale

Thank you to everyone who baked, helped and attended the Pleasant Manor Auxiliary Spring Bake Sale. Very big thanks to the Auxiliary for all their work and volunteered time. The sale was a huge success, **\$4023.86** was raised. That money goes into purchasing extra equipment and items to improve the quality of life for all the tenants and residents who live here at Pleasant Manor. So again, thank you for your support.

### Jaime's Journal

May is finally here, flowers are blooming and the sunshine is so inviting! The nursing department has recently hired Krista who is a PSW and I'm sure that she will be a great asset to our team, welcome aboard! Many staff have recently recertified their C.P.R./First Aid, we have also had many training sessions on new equipment and products. As the weather gets warmer, we can all enjoy the outdoors just a bit more!

### Recreation's Rant

Greetings from the recreation department, I hope you are all enjoying your spring! I wanted to let you all know that we are excited to welcome back Kyla our summer student – we look forward to having her back for another summer. As well, you will notice another new face in the department – Breanne will be doing a 14 week internship with us to finish off her 4 year degree from Brock in Therapeutic Recreation. It looks to be a very exciting summer in the TR dept.!
